In Brandywine — we leave our “hurries” behind

- June 4:** **Greatest Geological Wonders.**
*Crack a really big rock and get a really big rift...
in Africa!*
Being Human: Poverty's Remains.
Or how too many autopsies of the wrong people caused
a disastrous medical mistake in the first half of the
20th century.
- June 11:** **Greatest Geological Wonders.**
Erta Ale and the Compact Fury of Lava Lakes.
What's that all about? Still in Africa.
Being human: Dreamlike Dreams...Why?
What's really going on while we sleep?
- June 18:** **Greatest Geological Wonders.**
Burgess Shale—Rocks and the Keys to Life.
This time we're in the Canadian Rockies.
Being Human: Pleasures and Pains of “Maybe.”
Maybe is the word that gets the dopamine going.
And why we are willing to work so long for gratification.
- June 25:** **Greatest Geological Wonders..**
The Grand Canyon. We know all about that.
Or do we?
Being Human: How the Other Half Heals.
Or why do the wealthy get diseases the poor do not!
