## THANK YOU EVERYONE!!!

This was the best St. Patrick's Party in a long time and it is all because of all of you. Many thanks to EVERYONE who helped. A special thanks to Norbert Holland and the Brandywine ladies for cooking up more than 185 dinners. Another special thanks goes to the Bells for their great effort of making sure we had our dessert despite a broken freezer. It was really nice to have all the men come to our aid when we asked for help bringing in heavy trays of hot food. Anyone else I have forgotten to say thank to... Thank you.

## COMPUTER CLUB

Computer Security was the topic of the well attended March meeting. It generated much interest and many questions. Seems most everybody has incurred viruses and intrusions into their machines. **The April meeting will be on Tuesday, April 8 at 1:00 PM at Myerlee**. While Mike Peterson, Computer Medics, has not announced what the subject of his talk will be on April 8- we will send it and any handouts before that time. As always, your friends and guests are welcome to attend two meetings before we ask them to join.

## POOLSIDE ICE CREAM PARTY

On March 16 we held an ice cream party at poolside. There were a large number of residents, guest and especially children. It was busy enough that we ran out and had to make a hurried trip for more. **There will be a second party on Sunday, April 13 from 2-4 PM**.

#### **GARDEN CLUB PROJECT**

The Brandywine Garden Club would like to undertake a major garden project and as we did not have our Trash & Treasure Sale this year as a major fund raiser, we have decided to make and sell artificial **Christmas wreaths**. There seems to be some interest in the wreaths that we had in the Brandywine Room this past year. The cost of these wreaths would start at \$30 and go up based on decorations applied. We would hold the sale in the Brandywine Room sometime in early to mid-November. If anyone is not going to be back by early November, and wants to preorder a wreath, please call Mary Meyerhans at 482-0001.
