PLANTS

This month it is time to hard cut some of our plants. Especially the Oleanders, Drasina and Jatropha. This means they will be cut back so far that it looks like they will not come back BUT they will. This is necessary to keep the plants healthy and they will come back even better. Rene Dahl, Association Mgr.

NEW RESIDENTS

A warm welcome to our new residents, Barbara & Anthony DeStefano, Peter & Nola Macalka, Keith & Linda Hensley, Sal Valente, Charles & Leslie MacDonell, and Joan Nauss.

IN MEMORIAM

Our condolences to the family and friends of our neighbor Suzanne Georgi.

BINGO

Our 2013-2014 Bingo Season has been exciting; turnout grew (one night it “exploded”), and, naturally, larger than usual payouts were made. Thankfully, we have 3 new callers who have been doing a great job: Lou Gergar, Don Lavimoniere and Bob Schlossman. They join our 3 faithful callers who have been keeping Bingo running for years: Sandie Dykstra, Tom Ondecker and Jack Sheils. Special thanks to Jackie and Jack Sheils for covering the check-in table in our absence, to Howie Lee who is our troubleshooter and a “runner” along with Bob O’Keeffe. A big vote of “thanks” to the special people who help clean up the room at the end of the evening. AND last but not least, a huge thanks to Rosalio and Perry for setting up the room for each session. We look forward to seeing you all October 1st. Have a safe and healthy summer! Jean & Tom Pancoast

WOMEN’S ASSOCIATION

Saturday, May 3 at 9:00 AM will be our last meeting for the season. Please try to attend. Our cabinets are in and should be done by our May meeting.

CLEAN OUT YOUR PANTRY

The “**Stamp Out Hunger**” food drive will be held on **May 10** and mail carriers will collect non-perishable food items that you leave at your mailbox. This is the 22nd annual national letter carrier food drive. Northerners who are returning home prior to May 10 may drop off their contributions at any post office. Food should be in un-opened, non-breakable containers. Items especially in need are peanut butter, tuna, rice, beans, and canned meats, fruit, vegetables and soups.

MYERLEE COMPUTER CLUB

“Top Internet Websites” was the subject of the April 8 meeting. For those who could not attend or were unable to download from the e-mail notice, there are a few handouts available covering the five websites discussed. The next meeting will be on **Tuesday, May 13 at 1:00 PM.** Meetings will continue thru June and suspend during July and August.

The Brandywine Garden Club will be holding its final meeting of the season with **lunch at Cristof's on 10231 McGregor Blvd. on Monday, May 19 at noon**. The calling committee will be getting in touch with the membership to see who will attend and then we will make reservations. Plans are going ahead for the Christmas wreath project with some of the members willing to work on them over the summer. So look forward to many great wreaths for sale in early to mid- November.

MEMORIAL DAY COMMEMORATION

The Memorial Day Dinner will be Saturday, May 24 at 5 PM for Cocktails, & 6 PM for Dinner. Dinner will be Spiral Ham, and we ask residents to bring their favorite covered dish to supply enough for 8 people. Dessert will be provided. BYOB. **Sign up is Tuesday, May 20 1-3 PM.** If you have questions or can't make sign up time, please call Mike Aneiro 454-0077.

HONORED

What a wonderful surprise it was to open the News Press Sunday, April 20 and discover a striking color photo of our neighbor Helen Hendry gracing the cover of the "Tropicalia". Mrs. Hendry, a landscape architect and long time Brandywine resident, was honored on Arbor Day, April 25 by the Edison Ford Winter Estates. She is a noted horticulturist and has played a huge role in the beautification of the Estates.

A bougainvillea named in her honor provides a lovely splash of color to the front of her home here. Congratulations, Helen!

SEWING CLUB meets every Tuesday through-out the year at 1:30 PM in the Tennis Clubhouse. Newcomers are invited to join and bring their own stitching, needlework or knitting and work on it with the group who may be able to provide some helpful tips. Members also make lap robes which are donated to nursing homes as well as the red lamppost caps sold at Christmas time.

GREAT COURSES -Every Thursday at 3:00 PM video lectures are shown on the large screen TV in the East Brandywine room. A new series entitled "Herbs and Spices -Flavor on Demand ", has just begun. Continuing is the series "The Vikings." Everyone is invited to come and learn.

LOOKING AHEAD

The **ACTIVITIES COMMITTEE** has thought to try something new **The Brandywine Lunch Bunch!** The idea would be to schedule a lunch at one of the nearby restaurants once a month. This would be for all residents – both men and women. We have chosen the **fourth Friday of the month at 12:30PM. This will begin on June 25.** There will be car-pooling and we can meet at the Brandywine Room. Merrily Francis will be the contact person (482-5679). If there are any questions and if you wish to go, you should call her. No restaurants have been chosen as yet but further information will be in the June Bugle. We look forward to seeing you.
