---

**2015 RESIDENT DIRECTORY**

The 2015 Resident Directory is available for pick up at the Gate or in the office. Also if you wish to have an electronic copy you can email the office, [brandywineoffice@embarqmail.com](mailto:brandywineoffice@embarqmail.com) and we will email you a copy.

**NEW VEHICLE DECALS**

New entry decals for your car are being issued for 2015. Please check the BUGLE TOO for the date you can begin picking up decal stickers at the Association Office. If we already have your car's state registration on file at the office, all you need to do when picking up your decal is to complete a new form in the office. If you will be registering a car for the first time with Brandywine then please bring your Vehicle State Registration into the office when picking up your entry decal.

**PEST CONTROL**

Starting Monday, **March 2** you will see **American Allegiance Lawn & Landscaping and American Allegiance Pest Control** here at Brandywine. Michael Deschaine is the owner and he is very hands on. Kevin Christiansen is in charge of Pest control of the buildings. Kevin will be here on Monday, March 2, but our regular day for **Interior Pest Control will be Tuesdays starting March 17**. As in the past, just call the office whenever you are in need of service and we will schedule it for the Tuesday of your choice.

The big change with our new vendor will be with the lawns. George Morris will be in charge of spraying for pests, fungus, weeds and fertilizer on the lawns. For the plants and shrubs they will spray pest control, fertilizer and Micro-Nutrients. George will also be here to start on March 2 and will most likely be here every day for a couple of weeks just to insure that everything is being done correctly.

Rene Dahl, Association Manager

**BRANDYWINE WEBSITE** [www.mybrandywine.org](http://www.mybrandywine.org)

In case you do not already know, all of the "Blue Book is on the website and updated when the information becomes available:

1. Community Information
