There will be a presentation for the Board of Directors about the new bank that Associa is using (Union Bank). Presenters from Associa Gulf Coast will be the President and CEO, Michael Fleming, PCAM, and Dorian Danys, CMCA, AMS, PCAM, Vice President, Southwest Florida.

**YEARLY AUDIT** – The Brandywine Association Audit for period ending December 31, 2014 is complete and copies are available via email [brandywineoffice@embarqmail.com](mailto:brandywineoffice@embarqmail.com) or feel free to pick up a copy at the office.

### **Important Things To Remember**

Please remember that the Common Areas are for the pleasure of the entire community. Decorating these areas is best left to a Committee so as to maintain consistency.

Units in the two story buildings have one assigned covered parking space. If you have more than one vehicle please use your assigned parking for one of your vehicles.

Speeding is a BIG problem here. The speed limit is 25 mph. (20 mph is acceptable) Please slow down and stop at the stop signs!

Our Landscape maintenance company, Prestigious Properties, trims the bushes east of Turnberry one month and west of Turnberry the next month. So that means that your bushes should be trimmed once every 2 months. They do not do individual gardening. If you have managed to get them to NOT trim something then the trimming becomes YOUR responsibility.

We are already beginning preparations for next year. Please be thinking about being on the Board of Directors or a member of a Committee next year. If you are interested or have questions please contact the office and we can put you in touch with the right people.

If you do not receive emails when the website is updated, contact Roger at [rdhervey@gmail.com](mailto:rdhervey@gmail.com) to be put on the list.

Thank you, Rene Dahl
