

# BUGLE TOO JANUARY 2016

## BOARD OF DIRECTORS MEETING – Tuesday, January 19 at 4:00 PM

**BRANDYWINE RESIDENT DIRECTORY** – The 2016 Resident Directory will be available for distribution on **Monday, February 1**. You may pick up a copy at the office or the gate house. **OR** you can email the office at [brandywineoffice@embarqmail.com](mailto:brandywineoffice@embarqmail.com) and request a copy to be emailed back to you. If you have not completed a Consent Form to add your name to the directory and would like to be added to the 2016 directory, please come by the office by **Friday, January 22**.

\* If you were in the Directory last year, you are **automatically included** in the 2016 Directory.

**FROM THE NEST** - An **AED machine** has been ordered for Brandywine, thanks to the Board, and it replaces the inoperable one purchased years back. I thank those residents who were conscientious enough to attend the class at the Brandywine Hall to become familiar with the machine. Fortunately, the representative from the Iona-McGregor Fire District, who accepted our invitation, found the deficiency.

I have a firm schedule for two separate **AED classes in March**. There will be sign-up sheets posted at Brandywine Hall, the Tennis bldg., and the puzzle/ceramics bldg. A class affords 16 people each, but should there be more interested, she will put together another class in the future.

The class dates are **Tuesday, March 15** and **Thursday, March 24** both at **9:00 AM**. The class includes CPR/AED & Adult/Child/Infant. The location will be Iona-McGregor Fire District Station 75, Pine Ridge Community Center@ the new Government Complex, 15660 Pine Ridge Road. We can buddy up to go there.

Our new machine will coincide with the machine used by our 911 response team, saving precious minutes when we have our machine hooked up, so they can quickly plug into ours. It is a remarkably easy machine to use and the course will give you confidence and ability.

If you have any questions, please call me at 489-2806 or Joan Peers, co-chairperson, 586-255-1955.
