NEW RESIDENTS

A warm welcome to our new neighbors Jim & Marie Schafer, Susan Shatz and Arlene Zimmerman.

BOX TOPS FOR EDUCATION

Thanks to all the people who have deposited Box Tops in the shoe box in the old kitchen. These add up, and enable the school to purchase additional learning tools for the kids (like computers etc.) It doesn't cost you anything, just a little effort. It means so much to the children. If you haven't participated yet, your effort would be appreciated. Thanks so much, Marie Rocco.

*A note for the golfers ----
A friend once took Ulysses S. Grant out to the club in the hopes of convincing him that golf was a great game. Grant watched one golfer who swung and missed the ball a few times, chewing up the grass in the process. Grant turned to his friend and said, "That looks like a very good exercise but what's the little white ball for?"*
