From the Nest

At a special meeting on the 25th of July the Board of Directors unanimously selected Precedent as first choice of Management companies. They have an impeccable record and are able to serve our community needs. In every area, we expect to gain continuous, forward results, both in handling our business endeavors, and to work well with our staff. Brandywine will be able to sign the best negotiated contracts and accept feasible methods of cost savings. We envision our future with pride and achievement and look forward to the time ahead.
