A NOTE FROM YOUR BOARD

After six weeks of bronchitis, sinus infection, colds, three trips to the doctor, chest x-rays and nine prescriptions, I believe that things are finally getting better. What a winter!

A Town Hall meeting is scheduled for Friday, April 7th at 10:00 am in the Brandywine Hall to only discuss the proposals of the committee concerning the new Brandywine Security passes, new car decals and the reasons for the changes. If you have any questions for the committee members, you must submit them in writing and sign your name. Your questions should be turned in to the Brandywine Office by noon on Thursday, April 6th for the committee to respond to them at the Town Hall meeting. A Board Meeting will immediately follow the Town Hall meeting to vote on the recommendations of the committee.

Our regular monthly Board Meeting will be held on Tuesday, April 11th at 10:00 am to discuss, among other things, the recommendations of the Buildings and Grounds Committee. Some of the topics will include drainage issues, electrical, irrigation and roof repairs.

I encourage all unit owners to attend all committee meetings. Don't wait until this information is presented to the Board for approval. If you are tired of not knowing what is going on and why, get out and get involved! New Board Members will be attending Board Certification class on Wednesday, April 5th.

Many of our friends and neighbors will be heading back north very soon. Your Board wishes you safe travels and hopes to see you soon.
