FROM THE NEST

AED/CPR class will be on the 23rd of June at 9am and will last till 12 or 12:30pm at the Iona Fire House, located on Pine Ridge Rd. Take Gladiolus and turn left onto Pine Ridge Rd. The right entrance driveway is where you see the License Bureau on your left and the fire house on your right. When turning from the street into that entry driveway, you will take the next right and park down near the door entry of the Fire House closer to the street. Sometimes there is a sign to direct you to the correct door. For those who want to buddy with others going – we will meet at the Brandywine Hall front entrance at 8:30am. For any others interested, and there are spots open please let me know prior to the 23rd. You will enjoy this tremendously with these skilled instructors.

A Thought for Today:

“Never look down on anyone unless you are helping them up.”

GARDEN CLUB

Although our meetings are suspended for the summer months, we will meet again for a pot luck in October. In the meantime, it has come to my attention that we may have residents who really love to get their hands dirty by weeding, pruning and doing some minor transplanting of plants. Whether you are a member of the garden club or not, if you would be interested in doing some of these things on your own schedule, please call Mary Meyerhans as soon as possible. We have three gardens which we maintain or care for, one of which is the Remembrance Garden. Ann Gergar is responsible for this garden and I know she would welcome any help. We would be happy to show you what needs to be done on a regular basis and it is nothing too strenuous. YOU DO NOT HAVE TO JOIN THE GARDEN CLUB TO PARTICIPATE.
