We have chosen a restaurant new to Fort Myers and so will be new to our group – Leopardis. Several of the Activity Committee members visited and had lunch at Leopardis and agreed it would be an enjoyable place to dine. The menu has something for everyone and there is a private room where we will be able to meet. Leopardis is located close by at 13851 S. Tamiami Trail. The Lunch Bunch is open to men and women as well as their friends and family members. If you would like to join us or have any questions, please call Dorothy Aneiro (239) 454-0077 or Nancy Weaver (813) 380-1500 by May 13 to make a reservation. We look forward to having you join us.

### BRANDYWINE GARDEN CLUB

The Brandywine Garden Club has had its last meeting for this season and will combine with the Lunch Bunch for the May meeting. Please watch for notices regarding the Lunch Bunch to find out where they will be going for this event in May. I'd like to thank all who helped with events this year and a special thanks goes to Rick Peters, who has done an outstanding job of planting and maintaining the Northeast Garden. Remembrance Garden Notice: Ann Gergar did an excellent job of coordinating volunteers for the maintenance and care of the Remembrance Garden. As she has had to resign from this position, it is my hope that her volunteers will continue to care for this garden as they have in the past. Ed Zender has volunteered to coordinate the efforts of these volunteers and if you are able to continue what you were doing in that garden, please give Ed a call and inform him of your name and function in the garden. Ed's phone number is 267-0951.

### FROM THE NEST

Here is information for all the folks in Brandywine. This is from a county official I'm in touch with often. Results discovered at a well know university did an extensive study concerning health and retirement. They found that those aged 60 and older, who did volunteer work for 100 hours a year - or just two hours a week - performed better in cognitive testing than non-volunteers. I'm confident that most of the residents in our small community might be diversified in numerous ways. This includes both here and elsewhere within our Lee county. So, a huge hurrah for all who volunteer time. Remember, you have several ways to assist. A small example; the Sheriff's Office, Lakes Park, local hospitals, and even at Brandywine. Whatever your endeavors, the rewards are abundant! You can save taxpayers thousands of dollars and feel accomplished in your life.

Audrey Murphy
