LOOKING AHEAD

Lunch Bunch – As summer approaches and many of our neighbors return North, those who are year round residents will look for additional social events. So, the Activity Committee will again plan Lunch Bunch outings. Beginning in May and running through October on the third Friday of the month, we will go to a different restaurant for lunch. The information about the restaurant will appear in the Bugle. Those interested in joining us, will need to call the coordinator to sign up. This is open to men and women, friends and family. Over the past few years, this has proven to be a popular event and we hope that it will continue to be in the future. Check the Bugle for specific information.
