BOCCE

Wednesdays, at 5:00pm

Bocce in Brandywine is scheduled to be played every Wednesday at 5pm. We will play behind the pool. For those not familiar with the game here is a brief rundown. It's a social game, not requiring physical power and agility. Many partially disabled persons can participate adequately. You're invited to come to the game to observe the fun it provides for one and all. It may be noted that many developments now have courts and compete with other groups just for the competition and fellowship. Let's give it a try or observe those who participate to see what it's like.

SPECIAL EVENTS

NEW GAME NIGHT

Friday, June 14th at 7:00 pm

Come One Come All. To keep us all in touch this summer, there will be a Game Night starting at the Brandywine Hall. What is Game Night? Actually, it will be what you make it; this is your night to join in with others and play your favorite board game. We will start you off with plenty of traditional board games or you can bring your favorite. We will pair you up with neighbors or you can bring your own group. Beware, we intend to mix things up a bit. We want you to meet new neighbors so be prepared to join in a group game. Of course, there will be snacks, along with any snacks you wish to bring. Future dates: July 12; August 9; September 13.

Friday, June 21st at 12:00 pm

The next gathering of Lunch Bunch will be at Bay Front Bistro, Estero Blvd. on Ft. Myers Beach. It has been voted one of America's best waterfront restaurants. If you would like to join us, **please call Dorothy Aneiro (239)454-0077 or Nancy Weaver (813)380-1500 by June 18th** to make your reservations. Hope to hear from you!

FROM THE NEST

Summer Travel Plans are sometimes made for stays of a few weeks up to a month or more, but beware. Do research on rentals along with Google Street View. Talk to the owners on the phone and have your list of questions and peruse complaints and reviews beforehand. The owner can answer any concerns and be sure to ask for a written rental agreement. Pay with a credit card only. Scams are out there, so be careful and know your stuff when a deal seems too good to be true. Certainly, photos are great, but that's all they are, so check the map and surrounding residential or public places where noise or type of businesses can affect your peace of mind. After all is said and done - Have a great time!

Although I haven't played chess in a while, due to lack of popularity in recent years, I still miss playing and would like to see if there are enough people willing to discuss the possibility of a designated day and time to play chess.
