BOCCE

Mondays, at 6:30pm

A lively group of friends and neighbors gather on Mondays, at 6:30pm for Bocce in Brandywine. We will play behind the pool. Bocce is a social game, not requiring physical power and agility. Many partially disabled persons can participate adequately. You're invited to come to the game to observe the fun it provides for one and all. Many developments now have courts and compete with other groups just for the competition and fellowship. Join us and give it a try or observe those who participate to see what it's like. Please check the Blog for photos and more information: <https://brandywinebocce.sport.blog/>

You can be added to the e-mail list for Bocce Ball at Brandywine by contacting Dave Radcliff through the Blog "Contact" section.

CHAIR VOLLEYBALL

Wednesday, September 4th & 18th at 7:00pm

In the Brandywine Hall. Replacing Bingo for the summer, come enjoy this fun-filled game played with a beach ball. **Chair Volleyball** is great for upper body mobility and joint flexibility. It enhances your muscle tone, reflexes, hand-to-eye coordination, and endurance. Chair Volleyball has all the rules of competitive volleyball except that it's played on a smaller court. The net is only five (5) feet high and the court is 14 feet across and 11 feet deep. The white leather volleyball is replaced by a beach ball. The strictest of rules is to never ever let your backside leave the chair. We want to get as many people involved as possible. People laugh while they play as well as watch. No matter your age or physical ability everyone can join in. Upcoming summer dates: September 4th & 18th. Any questions: please call Trip Weaver @ 813-240-6460 or Nancy @ 813-380-1500.

BREATHWORK & STRETCHING

Saturdays, at 9:00 am

Come and join your neighbors, (we had 22 for the demo) on Saturday mornings from 9:00 - 10:00 am in the eastside of Brandywine Hall. Bring a yoga mat or large beach towel or you can use a chair for the movements if you are more comfortable in that way. Donna Johnson is the instructor, a resident here at Brandywine, and she is looking forward to sharing her knowledge and enthusiasm for helping you to improve stress reduction, relaxation and flexibility in your daily life. Hope to see you there. **Please note there will NOT be a class on Saturday, September 7th.**

SEPTEMBER

BOOK CLUB

Tuesday, September 10th at 10:00 am

As the days grow shorter, long evenings bring more time to read. Come share with us the books you have found most interesting. The Book Club will meet in the Tennis Clubhouse. New members are cordially invited to attend.

CARD CRAFTERS

Wednesday, September 11th at 10:00 am

Brandywine Card crafters will meet in the craft room. Enter through the card room just outside the puzzle storage area in the building just west of the pool. Supplies will be available as well as the materials to design and make your own cards. No experience is required. We do ask for a \$1.00 donation to help offset the cost of the consumable supplies. Please RSVP to Lynn at 432-9912 or Chanda at 703-7644 or if you have questions. Hope to see you there.

BILLIARDS

Wednesday, September 11th & 25th at 7pm

Wednesday evenings from 7:00pm-8:30pm. The variety of talent makes it a fun social event – BYOB and snacks if you want. Kathy and Mike Donlan are coordinating this activity. email: michaeldonlan@cs.com

FROM THE NEST

For you and me, we all know the word recycle. If you are sometimes overwhelmed by what the numbers on the bottom of your plastic container mean, you're not alone. We will, however, see changes. The Sustainable Packaging Coalition's How2Recycle program (how2recycle.info) has partnered with brands like Chobani, Clorox, and Seventh Generation to replace these nebulous numbers with clear instructions ("empty & replace cap," or "rinse before recycling"). And Recycle Across America (recycleacrossamerica.org) is working to standardize labels on public bins nationwide. Whole Foods Markets, Disneyland, and the city of Savannah, Georgia, are just a few participants that have signed on. May they be successful to help us be capable of reducing trash affecting our well-being.
