A MESSAGE FROM YOUR BOARD

On behalf of all the Board of Directors I wish that all our Brandywine Residents stay safe and healthy. It's a difficult time for all of us and I appreciate all that everyone is doing to keep our community safe. We strongly encourage everyone to keep a safe distance when out in public, especially so in the few remaining amenities we have open. We are striving to keep our Tennis/Pickleball and Pool areas open and are monitoring the CDC and State agencies for their guidance. When on the court do not congregate in groups. If you go to the pool you MUST shower before entering the pool, this keeps our chlorine level at maximum effectiveness. Remember to keep your distance even when in the pool. Please be diligent with your personal hygiene hard surfaces can spread the COVID-19 virus so try not to touch common surfaces and wash your hands frequently. To keep our community as safe as possible I urge each resident to limit any visitors from outside. Stay safe and with your help we will get through this trying time.

Bill Doolin

President, Brandywine Board of Directors

MONTHLY ACTIVITIES & MEETINGS

To members of the Community, in keeping with the CDC guidelines and the directions of our Board, all activities for the month of April are canceled. Hence, there will not be an Activities Meeting for April. It is a hardship for many of us to lead such a solitary existence, but we do so for the good of the community. It is great to see neighbors walking, riding bikes and generally greeting each other as we pass by. Rick and I have taken to occasionally dining al fresco in the driveway or having driveway cocktails to see "life in the hood". Not sure how creative each of us has been, but keeping our distance is the goal.

Looking forward to seeing you in the near future, MJ Peters, Activities Director

AARP Smart Driver Online Course

For Smart Driver course participants who may not be able to renew their car insurance discount due to course cancellations, you should direct them to the AARP Smart Driver online course. We are offering a special 25% off discount for those who may have to take it online now. This offer is to keep the price in line with the classroom course price.
