CRAFTERS

Wednesday, January 18th at 9:30am

In the craft room, you will have the opportunity to make a heart decoration using wine bottle corks. We will need LOTS of corks so save all your wine bottle corks and ask your family, friends, and neighbors to help you collect corks that you can place in the receptacle on the kitchen counter in the craft/puzzle building. We hope to offer some craft every third Wednesday of the month. If you have a project or skill you could share, please contact Chanda at 239-703-7644. Please bring \$1.00 to help cover the cost of paint and glue sticks for glue guns. If you have access to a glue gun, please bring it. Thanks.

DECORATION REMOVAL THANK YOU

Taking down the Christmas decorations was a breeze this year, a super huge THANK YOU to the many who helped. The storage room is now reorganized, and everything is put away and labeled for next year.

ATTENTION ALL RESIDENTS **FEBRUARY ASSOCIATION DUES**

The 2023 budget (included in the annual meeting packet and available on the website) was approved by the Board on January 5, 2023 at which time, by a polling of those in attendance, it was decided to pay the difference (“catch-up”) between the amount of the January payment made (2022 monthly amount) and the now approved 2023 monthly amount (noted in the budget) by February 1st- but no later than February 5th to avoid late fees. For those submitting checks from their bank, this “catch-up” should be submitted along with your February payment, as no coupons will be sent for the “catch-up” (cost savings). For those who have signed up for direct debit payment with Precedent, your bank account will be debited for your “catch-up” payment (with no late fees incurred) as soon as possible after they debit your normal 2023 payment on February 1st. The difference between the 2 payments (the “catch-up”) amount is: Brandywine units \$198.91; Hazeltine units \$134.26; all other units \$173.83. March payment amounts will resume as normal according to the budget. If you have any questions on amounts or how to pay the “catch-up” you owe, please contact the Brandywine Office. I encourage all residents to move to direct debit payments with Precedent to save the cost associated with resident submitted payments(coupon printing/ mailing and lockbox/ e-check fees.) Every dollar to cut operational costs. Please call the Brandywine office if you need assistance in setting up the direct debit payments. Thank you for your understanding and help as we work though the logistics of Board transition and cost saving measures.
