SINGLES' CLUB

Thursday of June 1st, at 6:00 pm

Our Singles' trip took place in Naples. We met in Tin City to board the Double Sunshine cruise ship for a 1.5 hour narrated cruise. We couldn't have asked for better weather. The cruise began in Naples Bay, where you saw different residential neighborhoods dotting the coastline. Further south, we were treated to the exclusivity of Port Royal. This neighborhood leads the country in luxury living. You marveled at one multi-million dollar home, and its neighbor surpassed it in size and beauty. My head was spinning and my jaw was dropping. We then headed to the Gulf of Mexico, taking in the allure of the white sand beaches, birds, and missing docks left behind by Ian. However, it seemed that Naples fared well, in comparison to Fort Myers. Upon leaving the Gulf and returning back into the Bay, we were welcomed by two dolphins. It was delightful to

watch them swim and jump. At times, they raced alongside the boat. How exciting! I highly recommend this cruise to anyone who is interested in seeing anything that I described above. Upon returning to Tin City, we dined at the Riverwalk Restaurant, overlooking the Bay. Some of us tried seafood and vegetables wrapped in a parchment paper or a facsimile thereof. You then poured this combination over some type of grain. It was a new experience for me. I thought that it wasn't too bad, but on the high side price-wise. Our next meeting will take place June 1, poolside. If inclement conditions are present, we'll meet under the breezeway by BWH. Please bring new ideas researched prior to our meeting. Also, bring calendars/planners to avoid scheduling conflicts. We are always looking for interesting, fun – loving people to join our group. If you are such a person, and do not have a surly disposition, consider becoming a member. Also, just a reminder to encourage men to join our group. We are a group of like-minded individuals who are looking to have fun. This is not a place where we are here to pick someone up. Couples are excluded! There are plenty of websites for that. Thank you. Dianne Truslow

BIBLE STUDY

Tuesdays at 3:30pm

Verse of the Month

"Thy Word have I hid in my heart, that I might not sin against Thee." Psalms 119:11

We have been studying the Book of Daniel for a few weeks now. This is one of the most exciting Books of the Bible in that it lays out our destiny in advance. Prophecy is a difficult subject but one that is vital to the understanding of any who wish to know the Will of God. In our study of the book of Daniel, we encounter an interesting character, King Nebuchadnezzar. This Babylonian king was troubled enough by a dream that he gathered all of his soothsayers and demanded the interpretation of it. His deep concern was for what lie ahead for his kingdom. God has always been involved with the affairs of men and will always judge and reward according to our faithfulness. Being faithful in the study of the Word of God is vital to the strength of our relationship to our Lord. Throughout Scripture, God is always desirous of an up close and personal relationship with His creation.

It is our part to find time in our busy schedules to nurture this relationship. As I have stated in

last month's Bugle, our focus is to study the "whole council of God" and to connect with all that God would have for us. We need not to shy away from prophecy, but study to see what God would have for us within its interpretation, always comparing Scripture with Scripture. Where there is a question God always supplies and answer in His Word. Whether you come just to check us out or if you plan to attend regularly, you are welcome to join us. We look forward to seeing you at Brandywine Hall on Tuesdays from 3:30-4:30pm. God will surely bless you as you study His Word. He honors His Word and wants us to know more about Him and how He cares for each of us. For any comment or prayer request please contact Dave Green at: dw.green3@verizon.net (941) 915-8275.
